Sociology
Liberal Arts

Do issues related to sociology interest you? Does a college education with a strong foundation in liberal arts appeal to you? Are you looking for a degree program that is flexible in its courses requirements? If you answered "yes" to any of these questions, then the Sociology in Liberal Arts degree program might be for you.

The Sociology in Liberal Arts major is designed for students who wish to pursue a liberal arts education with a sociological emphasis. This major focuses on sociological perspectives as they related to social structure, social institutions, social inequality, and the solution to social problems.

For students attracted to numerous subject areas, this program offers maximum flexibility. Students, in conjunction with their adviser, tailor and select the majority of their academic major from numerous sociology courses. In addition to this, a great number of general electives are built-in to the major.

Skills and Competencies

As in most other fields, strong interpersonal communication and organizational skills are a must for any professional. Other valuable skills and competencies specific to the Sociology professions include knowledge of community services, the ability to understand and improve relationships, and familiarity with social structures and change.

Course Work

This degree includes the following courses as part of the program requirements, and specific major requirements along with liberal studies and graduation requirements.

Core
Minimum of 20 credit hours must be at the 300 level or above
SO 101 Introductory Sociology (4 cr.)
SO 263 Criminology (4 cr.) or
SO 343 Sociology of Deviant Behavior (4 cr.) or
SO 312 Religion and Society (4 cr.) or
SO 232 Marriage and the Family (4 cr.) or
SO 382 Health, Society and Culture (4 cr.)
SO 351 Social Change (4 cr.) or
SO 355 Introduction to Social Psychology (4 cr.) or
SO 353 Globalization and Asian Societies (4 cr.) or
SO 407 Sociological Theory (4 cr.)
SO 362 Gender and Society (4 cr.) or
SO 322 Social Class, Power and Mobility (4 cr.) or
SO 372 Minority Groups

Sociology Electives (12 cr.)

Required Minor (20 cr.)

Detailed course descriptions can be found at www.nmu.edu/bulletin.

Career Development

You should begin the resume-building process as soon as you can. The Academic and Career Advisement Center can assist you with career planning, while Career Services will help you fine tune your resume and look for jobs related to your field. In the meantime, the more hands-on experience you have, the better the chances are that you will find a job. Becoming involved in a professional related internship is a way to develop your professional skills and gain experience. Your academic course work is important as well, so be sure to maintain a high grade point average.

Additional Considerations

Listed are some (and certainly not all) of the career options available to those with degrees in Sociology. Eligibility for many of these careers will depend on the course concentration chosen by the students.

Other career options might require a level of education beyond the bachelor's degree. Teaching will require successful completion of methods courses as well as student teaching and proper certification.

Internship experience and organizational affiliations are beneficial to persons interested in pursuing many of the professional careers related to Sociology.

Job Outlook

Starting salaries are contingent upon geographic location and individual work experience, and usually range from $25,000 to $35,000. Most of the new careers will involve data processing and information handling and human relations skills.
