

APPLICATION FOR DUAL ENROLLMENT

NMU Dual Enrollment: A "dual enrolled" student is a student who is enrolled in high school and is also enrolled in NMU courses—on NMU's campus or in an online NMU course—regardless of who is providing tuition and fee payment (family or school district or a combination).

## NORTHERN PROMISE: Dual Enrollment

Northern Michigan University provides several options for high school students to experience college courses and earn credit prior to high school graduation:

- ▶ Dual Enrollment
- ▶ Concurrent Enrollment
- ▶ Marquette-Alger Technical Middle College

For each of these options, students are considered to be in a "non-degree high school" status. College level credits earned in this status are fully applicable to NMU degree-seeking programs. It is important to know that each college or university has its own policies regarding transfer credit. We hope you will continue your college career at NMU after high school graduation and will be happy to work with you through the process.

Note: Another option for earning college credit is through MARESA Career-Technical Education programming at NMU's Jacobetti Complex or other facilities. During this program, students are not enrolled at NMU (so no admission process applies), but depending on a student's performance in a course, NMU credit may be earned if the student continues on as a degree-seeking student.

### Northern Promise (Non-Degree High School)

**Criteria for Admission and Enrollment:** Completion of 10th grade and minimum 3.00 high school GPA.

**Exceptions:** Exceptions may be granted based on information provided by the student, high school or middle college staff. Applications from students not meeting the GPA or grade level criteria must be reviewed by the Admissions Review Committee.

**Enrollment Limits:** Maximum of 8 credits per semester in any combination of Northern Promise programs (dual enrollment, concurrent enrollment, middle college).

**Exceptions:** Middle College students may take more credits during their final year in the program. Others wishing to take more than 8 credits in a semester should consult with their guidance counselor as to the criteria for requesting an exception. If an exception is granted, the student may enroll in up to 12 credits.

## Dual Enrollment Application Instructions

1. Complete the "Northern Michigan University Application for Dual Enrollment." This needs to be completed in advance of each semester in which the student intends to enroll in courses.
2. Submit one-time **application fee** of \$35.00 (if not previously paid). This non-refundable application fee will cover any admissions processing through the completion of your bachelor's degree at NMU.
3. Request your **official high school transcript** (directly from high school). For subsequent semesters of dual enrollment, an updated transcript should be sent if additional semester grades have been recorded.
4. If your high school is providing any portion of tuition payment, please have them complete the **Desired Courses/Billing Information** and send to NMU Admissions. This is needed each semester.

You will receive notification of your NMU admission status by mail. This will include course registration information.

### Payment Information:

Students should check with their high school officials regarding possible payment of tuition and fees by the high school. Schools may or may not fund dual enrollment. Schools that are able to provide funding may not fund 100%. Any balance not covered by the high school is the student's responsibility. Students must abide by the withdrawal and add/drop procedures" found at [nmu.edu/records/adddropprocedure](http://nmu.edu/records/adddropprocedure). If you drop a class for which your school has approved payment, you must notify your school.

### Documents can be mailed to:

Northern Michigan University – Admissions  
1401 Presque Isle Ave  
Marquette, MI 49855

**Or faxed to:** 906-227-1747

For NMU admissions information, contact **Jon Teichman**, Assistant Director of Admissions, or **Gerri Daniels**, Director of Admissions, at **227-2650**.

## Desired Courses/Billing Information

Please check with your school regarding payment. If a school official has not indicated that the school will pay the entire cost, you (the student) will be billed for the balance due. Program specific fees may apply.

2. Student must have a minimum high school GPA of 3.5 AND a minimum ACT composite score of 24.
3. The student's high school counselor should provide a written recommendation regarding the student's ability to take more than 8 credits during the semester. The letter should be addressed to the Admissions Review Committee and sent to the Admissions Office.
4. The Admissions Office will notify the student regarding the decision and if an exception is granted, the maximum allowable credits will be 12 per semester.

**G Suite for Education Background Information**

"G Suite for Education" from Google ("G Suite") is now available as a tool for Northern Michigan University and its students, faculty and staff. G Suite is a collection of free web-based applications that can be used from any computer with Internet access and is available 24/7. G Suite allows users to create, collaborate and share ideas between each other. Individuals with G Suite access will have NMU-created Google accounts to allow storage of their documents, presentations and other files online.

Descriptions of the G Suite tools can be found at: <http://www.google.com/edu/products/productivity-tools/>

Under the Family Educational Rights and Privacy Act ("FERPA") and Michigan state law, a student's education records are protected from disclosure to third parties. I understand that my student's work product stored in G Suite may be accessible to someone other than my student and NMU by virtue of this online environment.

The complete G Suite for Education (Online) Agreement may be found at: [http://www.google.com/apps/intl/en/terms/education\\_terms.html](http://www.google.com/apps/intl/en/terms/education_terms.html).

**CONSENT**

My signature below confirms:

- ▶ I have read the above G Suite for Education Background Information and am aware that NMU utilizes a suite of online applications called G Suite for Education to facilitate collaboration and communication among students, faculty and staff when creating, sharing, and storing documents and assignments online.
- ▶ I understand that when a NMU user account is created for the student, a corresponding G Suite account will be automatically created, causing information about the student (first name, last name, and username) to be, collected and stored electronically. I further understand that the student may store class work or files in G Suite; and depending on the sharing options selected by the student, these files may be accessible to someone other than NMU or the student, including classmates or the public.

I have read the G Suite for Education (Online) Agreement available at: [http://www.google.com/apps/intl/en/terms/education\\_terms.html](http://www.google.com/apps/intl/en/terms/education_terms.html).

- ▶ I give my consent to allow my student's work to be stored by Google, and I understand that by participating in G Suite, my student's work product will be collected and stored electronically. I have read the policies associated with G Suite. I understand that I may ask for my student's account to be removed at any time, but such removal may impact my student's ability to participate in or complete certain coursework at NMU.
