## **Admission to the Radiography Program**

Students must complete a four-part application process (application, grades, interview, letter) for acceptance into the Radiography Program. The deadline for application submission is April 1st. Students will be notified of their acceptance no later than June 1.

### **Admission Criteria:**

1. Overall GPA of 2.5 minimum
2. No less than a grade of “C” in the following prerequisite courses:
  - a. BI 207 Human Anatomy and Physiology 1
  - b. BI 208 Human Anatomy and Physiology 2
  - c. EN 211 English Composition II
3. If the Human Anatomy and Human Physiology courses are more than 6 years old they must be retaken.

### **Information:**

- Acceptance is competitive in into the Radiography Program
- Student capacity is 20/year
- Between the 1<sup>st</sup> and 2<sup>nd</sup> year includes a summer clinical experience
- 1<sup>st</sup> year clinicals are all done in the Marquette, Michigan area
- Starting the summer semester between 1<sup>st</sup> and 2<sup>nd</sup> year of the program, students may be placed at a different clinical affiliate, which might require relocation.
