Register Your Bike:
Many NMU students decide to use their bicycles to commute to and from class. Bikes on campus must be registered with Public Safety. Students can register their bikes at any time online through MyNMU (mynmu.nmu.edu). Log in, click on the Student Services tab and go to the Public Safety Services box to register today.

Use Your Head...Think Safety:
Consider purchasing a bell to alert other path users to your presence, and ALWAYS WEAR A HELMET. More information about cyclists’ rights and responsibilities is available on the City of Marquette’s Bicycle Safety Information Website.

ASNMU BIKE SHARE IS BACK!
- 8 new bikes
- 3 day checkouts
- Check one out at the LRC service desk using your NMU ID
- Direct your questions to ASNMU

NMU is now Tobacco-Free!
Northern Michigan University is committed to providing a healthy environment for students, faculty, staff and visitors. In the hopes to promote a healthier lifestyle and safer campus NMU will join over 800 universities and colleges by going tobacco-free beginning August 1, 2014.

Get Your Grub On!

Looking for places to eat on campus? A list of on-campus dining facilities is located at meet.nmu.edu/dining.

Did you know there are meal plan options for commuter students? There are a number of options available. You can learn more here (scroll to the bottom and select “Commuter Plans”.)

Where can you heat up a meal you bring from home? There are microwaves located in the Hedgcock building. One is upstairs in the Multicultural Education Resource Center. The other is downstairs in the alcove between the Financial Aid and Admissions offices.

Childcare Resources

NMU does not have a daycare service. NMU does not endorse or have any affiliation with any off-campus childcare provider. Please use your own good judgment; visit the childcare provider, check the references, and talk with other parents in the center prior to finalizing your childcare arrangement. The State of Michigan requires all childcare providers to be licensed. Be sure to ask for proof of license by your provider.

Regional Childcare Resource Center

The NMU Career Services office also has a temporary employment list which includes childcare providers at www.nmu.edu/careerservices.

The Cost of Living Off-Campus

We’ve created an “Off-Campus Living Cost Calculator.” You can use it to get a handle on your monthly costs while living off campus. Be realistic!

Click Here to Use the Calculator!

Need Help with Classes?

NMU offers a number of Academic Support Services. You can learn more about All Campus Tutoring, the Writing Center, and the Math and Language labs at www.nmu.edu/tutoring.

Need to Declare Your Major?

You can change or declare a major online at www.nmu.edu/acac/node/62. Students in Psychology and Education majors must visit the respective department to declare.

Find Your Adviser

How do you find out who your adviser is? Follow the instructions at www.nmu.edu/acac/node/68.

Help Wanted

Looking for a part-time job? NMU’s Career Services office maintains employment listings at www.nmu.edu/careerservices/node/103.

Get Your PEIF Pass

Sign up for your pass at www.nmu.edu/sportsrecsports/node/120. PEIF hours of operation can be found at www.nmu.edu/sportsrecsports/node/147.

Laptop Trouble?
