* Career technical education total program cost to the university are actual costs for the programs. Concurrent enrollment and dual enrollment total cost to the university are derived by taking the percentage of student credit hours for each program divided by the total student credit hours for the university and multiplying this by the total instructional costs reported for fiscal year 2016-17 in the State of Michigan Higher Education Institutional Data Inventory (HEIDI).

** There is no cost per credit hour for the career technical education program. Costs are billed to Marquette Alger Regional Service Agency at a breakeven (instructional costs and supplies) for each course offered.

NOTE: This survey in part complies with reporting requirements of Section 245(6) of the School Aid Act (Act 94 of 1979), as amended. You are still obligated to post this information on your institutional transparency website. Section 245(6) was amended under Act 196 of 2014 and provides for university reporting of the information included within this table. The effective date of Act 196 is October 1, 2014 with an annual reporting deadline of November 15.
