IMPORTANT NOTICE REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured or claimant, for loss under the policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under the presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:
- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or persons may enter into certain transactions in or connected to such designated "sanctioned" countries.
- OFAC maintains a directory known as the “Specially Designated Nationals and Blocked Persons” ("SDNBP") list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website: http://www.ustreas.gov/offices/eotffc/ofac.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you, any insured or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or “freeze” property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an “APPLICATION FOR THE RELEASE OF BLOCKED FUNDS” and apply for a specific license to request their release. Forms are available for download at the OFAC website.
