Return to EPAF Menu
5. On the next page, under the “Additional Assignment-Per Pay Amount” area:
   a. Personnel Date – defaulted based on date entered on the NEW EPAF Person Selection screen and cannot be updated.
   b. Regular Rate – enter the per pay amount of the additional assignment.
   c. Title – enter a brief description of the work to be performed.
   d. Job Begin Date & Jobs Effective Date – these are usually both the same as the hire date if the EPAF is being processed timely. However, if payroll has already been processed for the pay period that included the assignment start date (assignment is retroactive), the Job Begin Date and Jobs Effective Date should be entered as the begin date of the current or next pay period which will be a Sunday.
   e. Job Change Reason – defaulted to ADDL for Additional Assignment and cannot be changed.
   f. The two remaining fields in this section are defaulted and for payroll requirements only.

7. Enter comments if needed to clarify the content of the EPAF.

8. Click “Save” on the bottom of the screen.
9. After saving the EPAF you will receive the following message “Your change was saved successfully.” The EPAF has a transaction status of “Waiting” since it has not been submitted yet.

10. Click “Submit” to process.

11. Upon successful submission, you will see the following message, “The transaction has been successfully submitted.” Ignore all warning messages. See the “Common EPAF Errors” to correct any error messages received. The EPAF now has a transaction status of “Pending” and is awaiting action by the first approver in the routing queue.
