## International Travel and Study Abroad Scholarship Application

### 2008-2009 Academic Year

---

Please type or print clearly and return your completed form to the Office of International Programs, 145 Whitman Hall. A fifteen-minute interview opportunity will be offered to qualified applicants. **Note:** Recipients of any study abroad scholarship must complete 10 hours of volunteer service to the Office of International Programs upon their return from their study abroad program. Volunteer activities may include putting together an electronic presentation of the program/site, writing a paper about the site, including tips for future students, giving classroom presentations or attending study abroad fairs and other campus events – or any other creative activities that will help recruit future students for study abroad. **Reminder: You must be enrolled full-time in the College of Business at NMU to apply institutional aid to your study or travel abroad. Any award MAY reduce eligibility for other forms of aid.** Interviews are scheduled as appropriate.

**To ensure full consideration, early application is encouraged. Questions should be directed to the International Affairs Office at 227-2510.**
