NMU Dual Enrollment Definition:  A “dual enrolled” student is a student who is enrolled in high school (has not yet graduated) and is also enrolled in courses at NMU, regardless of who is providing payment.

Because dually enrolled students are attending college prior to graduation from high school, dual enrollment is reserved for students who have demonstrated consistent, excellent academic achievement in high school. (Therefore, some students who may qualify for admission as a degree-seeking student beginning studies after high school graduation may not qualify for admission as a dually enrolled student.)

NMU Dual Enrollment Admission Requirements: In order to be admitted as a dual enrolled student at NMU, a student must have completed the 10th grade of high school and have a minimum 3.00 academic GPA (3.5 for the Summer Scholars Program). GPA is recalculated using academic, college-preparatory classes only. In extraordinary cases wherein a student’s academic GPA is below 3.0 but the student requests special consideration based on academic performance in a specific area OR the student has demonstrated academic excellence but has not completed the 10th grade, the student may petition the Admissions Review Committee for special consideration. The student should write a letter requesting special consideration and should provide information relevant to the appeal. The decision of the Admissions Review Committee will be final.

→ NOTE: Local school districts have their own requirements regarding approval of students to pursue dual enrollment. Please check with your school counselor or principal.

Dual Enrollment Admission Process:  Students interested in being dually enrolled must provide the documents listed below. The student’s application will not be processed until all items have been received by the NMU Admissions Office.

1. “Application for Admission” (Students who have previously submitted an “Application for Admission” do not need to complete it again. However, students should complete the “Dual Enrollment—Permission to Enroll Form”—see #4 below).

2. Application fee of $30.00 (if not previously paid).

3. Official high school transcript (directly from high school). For subsequent semesters of dual enrollment, an updated transcript should be sent if additional semester grades have been recorded.

4. “Dual Enrollment—Permission to Enroll Form” (attached—complete both sides.) A student admitted as a dual enrolled student should provide a new “Permission to Enroll Form”—showing school approval for the course(s)—for subsequent semester course registrations.

Once these documents are received, they will be reviewed by the Director of Admissions. Receipt of all of the documents does not automatically guarantee admission as a dually enrolled student. You will be notified by the Admission Office regarding your admission status. NMU codes dual enrolled students as NDHS (non-degree high school).
NMU Dual Enrollment Course Registration Process:
The NMU Admissions Office will notify you as to your admission status but will not enroll you in courses. YOU (the student) must call Jon Teichman in the Admissions Office at 227-2650 for advisement. To enroll in off-campus or Web courses, contact the Student Service Center (2201 Hedgcock) at 227-1221 to officially register for these classes.

- For a complete list of NMU courses, go to www.nmu.edu/records, then click on “Bulletins.”
- To see what courses are available in a specific semester, please go to www.my.nmu.edu, then click on “Course Offering Search.”
- Dual enrolled students are limited to taking 8 credits per semester.*
- **Students MUST meet the course prerequisites** (as outlined in the NMU Undergraduate Bulletin).
- Students desiring to take a math course must take a math placement exam and should contact the Math Department at 227-2020.
- Students desiring to take EN111 (Freshmen Composition) must complete a guided self placement survey and should contact the English Department at 227-2711 to do so.
- **Dual enrolled students should be aware that the grades they earn in the courses they take at NMU will be a permanent part of their college academic record and part of their NMU cumulative GPA.**

Payment Information:

- Students should check with the appropriate high school official regarding possible payment of tuition and fees by the high school. If the school official does not sign regarding payment on the “Permission to Enroll” form, the student will be billed.
- **IMPORTANT: Students must abide by the “Add/Drop Procedures” which can be found by going to:**
  - www.nmu.edu/records/addDrop.htm If you drop a class for which your school has approved payment, you must notify your school.

NOTES TO HIGH SCHOOL PERSONNEL:

- NMU will bill the school directly for any approved course costs as indicated by the high school official on the back of the “Dual Enrollment—Permission to Enroll Form.” If the student is responsible for any or all costs, it should be so indicated on that form, and NMU will bill the student.

- You do **NOT** need to complete the billing portion on page 4 if the student is applying for the Summer Scholars Program. For more information, please visit www.nmu.edu/summerscholars

- If the high school needs a copy of the NMU grades earned by their dually enrolled students, please call the Admissions Office at 227-2650.

*A student who wishes to apply for an exception to the 8 credit policy must meet the following criteria and follow this procedure:

1. Student must be a high school senior.
2. Student must have a minimum high school academic GPA of 3.5 AND a minimum ACT composite score of 24.
3. The student’s high school counselor should provide a written recommendation regarding the student’s ability to take more than 8 credits during the semester. The letter should be addressed to the Admissions Review Committee and sent to the Admissions Office.
4. The Admissions Office will notify the student regarding the decision and if an exception is granted, the maximum allowable credits will be 12 per semester.

- For further general information, contact Jon Teichman, Assistant Director of Admissions, or Gerri Daniels, Director of Admissions, at 227-2650.
Northern Michigan University
Dual Enrollment--Permission to Enroll Form
To be used by any student who intends to take NMU courses prior to high school graduation, regardless of who is providing payment (school district or student).

STUDENT SECTION:
Student Name: __________________________________________ SS# ______/____/_______
Street Address: ______________________________________________________________________
City: __________________________ State:______ Zip:____________ Phone:_________________
Current High School:_______________________________  City: ___________________________
Please list month and year you will be graduating from high school: ______________________
Please list the semester in which you would like to enroll: ________________________________
Please list the desired course(s) in which you would like to enroll: __________________________
   ____________________________
**PLEASE COMPLETE THE COURSE INFORMATION SECTION ON PAGE 4**
I understand I will need to complete this form each semester I plan to take a course prior to high school graduation. I must also ask my school to send an updated transcript each time. I grant permission to NMU to release my grades to my high school and I am also aware that the grades I earn in my NMU courses become a permanent part of my college record. In addition, I have read and understand the NMU withdrawal policies as outlined on the following webpage: www.nmu.edu/records/AddDrop.htm
Student Signature: ___________________________________ Date:___________________

PARENT SECTION:
As parent/guardian of the student named above, I grant my approval for him/her to enroll at NMU for the semester and courses indicated.

Parent Signature: ____________________________________ Date:____________________

HIGH SCHOOL SECTION:
The student named above has permission to enroll in courses at Northern Michigan University prior to high school graduation. This signifies awareness and permission only. Funding information appears on page 4.

Counselor/Official Signature: ___________________________ Phone: ______________________
Title: ________________________________________________ Date:____________________

**IMPORTANT: Please complete billing information on page 4. **

NOTE: Please send this form with an official copy of the student’s high school transcript, Application for Admission (if not previously completed), and $30 application fee (if not previously paid) to: Admissions Office
Northern Michigan University
2212 Hedgecock Building
Marquette, MI  49855

Check this box and complete this application if you would like to be considered for the Summer Scholars Program. To qualify, you must have completed your 10th grade year and have a cumulative 3.5 high school GPA. Refer to www.nmu.edu/summerscholars or contact Jon Teichman in the Admissions Office for more details.
NOTE TO STUDENT: The NMU Admissions Office will notify you as to your admission status but will not enroll you in courses. YOU (the student) must call Jon Teichman in the Admissions Office at 227-2650 for advisement. To enroll in off-campus or web courses, contact the Student Service Center (2201 Hedgcock) at 227-1221 to officially register for these classes. If you register for courses other than those approved below by your school, you should notify the appropriate high school official of the change.

Keep a copy of this form for your records!

Please check with your school regarding payment. If a school official has not indicated that the school will pay the entire cost, you (the student) will be billed for the balance due.

2010-2011 COST INFORMATION
On-campus tuition/fees costs: 1 credit=$302; 2 credits=$604; 3 credits=$906; 4 credits=$1,208; 5 credits=$1,510; 6 credits=$1,844.02; 7 credits=$2,146.02; 8 credits=$2,448.02
Web-based & off-campus course tuition costs: $302 per credit

I am requesting permission to enroll in the following NMU course(s), understanding that I will need to contact the NMU Student Service Center to officially enroll in the course(s) once I am admitted:

Course #1
