Refund Policy

All cancellations must be received in writing, by fax or by e-mail. Full refunds will be made for cancellations received at least 10 days before camp begins. Once this deadline has passed, refunds will be assessed a $25 fee for administrative expenses. For refunds, the postmark for the cancellation letter, fax machine date stamp or e-mail date will determine the date to be used to establish the refund amount. Written requests must explain the reason for cancellation.

Refunds for campers who leave early will be based on the cost of housing and food, the number of instructional periods attended and the deduction of the $25 administration fee.

The refund policy will be strictly enforced regardless of the reason for cancellation or early departure. Departing campers should consult with the camp director when an early departure or cancellation is necessary.

If camp is cancelled or postponed, the University will refund registration fees but cannot be held responsible for any related costs, charges, or expenses including cancellation/change charges assessed by airlines or travel agencies.
