RESOLUTION

Recitals

WHEREAS, a primary purpose of the Health Insurance Portability and Accountability Act (HIPAA) is to protect individually identifiable health information, and

WHEREAS, the United States Department of Health and Human Services has promulgated final privacy regulations (“the Final Privacy Rules”) for the use and
F. Special Items (continued):

disclosure of protected health information that became effective April 14, 2003, and other proposed and final regulations that apply or will apply to HIPAA Covered Entities,

WHEREAS, the University is a Covered Entity subject to the Final Privacy Rules whose activities include both covered and non-covered functions,

WHEREAS, the University wishes to comply with the Final Privacy Rules by (i) declaring itself to be a Hybrid Entity with covered and non-covered components (ii) identifying and designating those Covered Components that are subject to the Final Privacy Rules, and (iii) adopting policies and procedures and taking other actions as appropriate to comply with the Final Privacy Rules and other applicable regulations,

WHEREAS, as part of its HIPAA compliance activities, the University has formed an organized health care arrangement (“OHCA”) for its health plans and may enter into additional OHCA’s with Covered Entities that are not part of the University but that work with Covered Components in clinically integrated health care settings where individuals typically receive health care from more than one provider and providers participate in joint utilization review, quality assurance, peer review and credentialing activities.

WHEREAS, the President of the University has taken interim action to declare the University a hybrid entity and to designate Covered Components

Resolved

1. The President’s interim action to allowing the University to comply with HIPAA as a hybrid entity as of April 14, 2003, is hereby ratified and affirmed.

2. Northern Michigan University is designated and declared to be a Hybrid Entity within the meaning of the Final Privacy Rules.

3. The Covered Components within Northern Michigan University shall be as designated from time to time. Initially, the designated Covered Components are:

   a. The Ada B. Vielmetti Health Center
F. Special Items (continued):

b. The Self-Insured Health Plan (The “University Plan”) administered by the Human Resources Department, presently in conjunction with Blue Cross-Blue Shield of Michigan and SET/SEG, the NMU Section 125 Flexible Spending Medical Reimbursement Plan, and the fully insured Delta Dental, and MESSA Vision plans,

c. To the extent that they perform covered functions for or perform activities that would make them a business associate of the Ada B. Vielmetti Health Center, or the University Health Plan, or another Covered Component if they were a third party: Financial Services, Internal Auditor, and Administrative Information Technology.

4. The Board of Trustees delegates to the President and/or his or her designee the continuing authority to designate Covered Components, enter into one or more OHCAs, adopt required policies and procedures, appoint Privacy Officer(s), Compliance Officer(s) and Complaint or Contact Officers, and take such other actions as necessary or appropriate from time to time in order to operate in accordance with HIPAA, the Final Privacy Rules and other applicable final regulations.

8. That the following Amended Conditions of Enrollment Policy be approved:

Amended
3.3 Conditions of Enrollment Policy

3.3.1 Local Address & E-mail Contact Information

As a condition of enrollment, all students are required to report at the beginning of each semester the local address at which they will be living. Changes of address between residence hall rooms may be arranged at the reception desk in the hall where the student has been living. Other changes of address must be filed within five class days of the change.

Every enrolled student automatically receives a university computer account which provides access to instructional files and software, e-mail, free dial-in access from off campus and other resources. Students are required to maintain this account which will be used by the University to send time-critical information to students. The University will use a student’s NMU e-mail account as its primary means of communicating official University business, including legally required information. If a student uses a non-university e-mail address, the student
F. Special Items (continued):

must forward their university e-mail to the non-university account. (This can be done by visiting http://myuser.nmu.edu/ and utilizing the e-mail forwarding wizard.)

Failure to comply with this policy may result in summary termination of enrollment by the Dean of Students.
