Verification of 2014 Income Information for Parents

---

Student Name______________________________________________

Were you required to file taxes in the year 2014?

• Yes--please select an option listed under Tax Filers
• No--please select an option listed under Non-Tax Filers

TAX FILERS:
Complete this section once the parents have filed a 2014 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (DRT) that is part of FAFSA on the Web at FAFSA.gov. Check the appropriate box below.

☐ I/We have used the IRS DRT in FAFSA on the Web to transfer 2014 IRS income tax return information into the student’s FAFSA, or will use the tool to transfer 2014 IRS income tax return information into the student’s FAFSA once the 2014 IRS income tax return has been filed. **If you believe you used the DRT when you filed the FAFSA and you did so more than three weeks ago, please re-try; you are being sent this request because we do NOT have the required information.**

☐ I/We downloaded a copy of our 2014 IRS Tax Return Transcript from www.irs.gov/transcript, or requested a copy by calling 1-800-908-9946, and have included a copy of it with this document. Although not required in every case, we suggest also including copies of all 2014 W-2 forms received.

***If the parents filed separately, 2014 IRS Tax Return Transcripts must be provided for both individuals.

NEED HELP? Please visit our website, www.nmu.edu/financialaid, and check out the “Selected for Verification” section on our main page.

NON-TAX FILERS:
This section applies to each parent included in the household on the FAFSA. Complete this section ONLY if the parents will not, and are not required to file a 2014 income tax return with the IRS. Check the appropriate box below.

☐ Neither parent was employed nor had any income earned from work in 2014.

☐ One or both parents were employed in 2014 and have listed below the names of all employers, the amount earned from each employer in 2014, and whether an IRS W-2 form is provided**. List every employer even if the employer did not issue an IRS W-2 form.

*** Provide copies of all 2014 IRS W-2 forms issued to the parents by their employers. If more space is needed, provide a separate page with the student’s name and NMU IN at the top.
