ARTICULATION AGREEMENT

Between
Fox Valley Technical College
A.A.S Construction Management
 And
Northern Michigan University
College of Technology and Occupational Sciences
B.S. Degree in Construction Management

Article I Agreement on Principle

Northern Michigan University (NMU) and Fox Valley Technical College agree that students who choose to transfer from a community college to a senior college or university to earn a bachelor's degree should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, Northern Michigan University and Fox Valley Technical College agree to enter into this curriculum articulation agreement for students who complete the **A.A.S Construction Management** at Fox Valley Technical College and transfer to NMU to complete the **Bachelors of Science in Construction Management**. Both institutions enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

Article II Agreement on Program Specifics

Northern Michigan University and Fox Valley Technical College agree that any student who has successfully completed the minimum requirements outlined on the attached articulation guide may transfer the course credits indicated toward the **Bachelors of Science in Construction Management** at Northern Michigan University. Students who follow this articulated program agreement must apply and be admitted to Northern Michigan University. Fox Valley Technical College students will receive equal consideration with other students seeking admission and financial aid. The bachelor's degree graduation requirements for students who follow this articulated program agreement are listed on the attached articulation guide.

Article III Agreement on Communication

Northern Michigan University and Fox Valley Technical College agree to cooperate in communication with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students.

Article IV Agreement on Maintenance and Review Procedures

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the **CHRISTOPHER J. MATTHEW** at Fox Valley Technical College and the Associate Provost for Academic Affairs at Northern Michigan University

Both parties agree to communicate annually any changes in their respective programs that may affect this articulation agreement. During the third year, both parties will review the agreement for revision and possible renewal. If the agreement is not reviewed by the end of the effective agreement, Fox Valley Technical College students who started the articulated program prior to termination of the agreement will be given three additional years to be admitted to NMU under terms of this agreement.

Note Regarding Michigan Transfer Agreement (MTA): Students who transfer to Northern Michigan University from a Michigan community college and who have Michigan Transfer Agreement Satisfied posted on their transcript will be considered to have met the requirements of NMU's General Education program. Students will still be expected to complete all other degree requirements, including graduation requirements (world cultures, lab, and composition and math competencies) and any courses listed as "Other Required Courses" that may also be General Education courses. Degree requirements can be found at www.nmu.edu/catalog. Transfer students who do not complete the entire block of courses required by the MTA will receive credit for courses they do complete on the basis of individual evaluation and established transfer equivalencies.

This agreement is in effect from **July 2017**. *Note: Students who began prior to the effective date of this agreement may use the agreement to the extent that the program requirements followed are consistent with this agreement.*

B.S. Degree in Construction Management

Effective Dates of this Articulation Agreement July 2017 -August 2020

Introduction:

The purpose of this articulation agreement is to provide a smooth transition for students who want to earn an **A.A.S. degree in Construction Management** at Fox Valley Technical College prior to a transfer to Northern Michigan University to complete a **B.S. Degree in Construction Management**. As displayed in this document, the first and second years of coursework are completed at Fox Valley Technical College and third and fourth years at NMU.

Graduates are employed as construction planners, site supervisors, schedulers, estimators, assistant project managers, and contractors. Some are trained in specialty fields, such as plumbing, heating and air conditioning, and electrical contracting, which allows for diversification within the workforce.

Effective Dates:

The effective dates of this agreement are from July 2017 – August 2020. Faculty from each school will review the agreement annually, and determine continuation or suspension. If this agreement is not renewed at the end of the effective period, students who have already started this articulated program at **Fox Valley Technical College** will be given three additional years to be admitted to NMU under the terms of this agreement. Students who began the program prior to the effective date may use the agreement to the extent that the requirements completed are consistent with this agreement.

First and Second Years at Fox Valley Technical College.

The first and second years of NMU's Construction Management, B.S. degree is Fox Valley Technical College's Construction Management A.A.S. degree. Although it includes up to 63 credit hours, only a maximum of 64 semester credits and an additional 4 semester credits in physical education activity courses may transfer to NMU from a two-year college. Unless otherwise designated, a grade of "C-" or higher is required for transfer to NMU. Students need a "C" or higher to count in the program. The following section Construction Management A.A.S degree with restricted selections to meet requirements within NMU's General Education Program:

FVTC Course #	FVTC Course Title	Credits	NMU Equivalent
