

## BACHELOR'S DEGREE PROGRAM INFORMATION

Institution	Northern Michigan University
Degree/Program	B.S./Sports Science
Credits Required	120

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at <u>www.mitransfer.org</u>.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Exercise Science MiTransfer Pathways faculty recommended that students complete a course in the Pathway to Calculus. Designate the required mathematics course(s) in your program below. Add lines as necessary.

Mathematics Requirement(s)	Subject/ Course Number	Course Title	Credit Hrs
Statistics	<u>MA 109</u>	Intro to Probability & Statistics	4
Calculus (not required, but may	<u>MA 161</u>	Calculus I	4
be used in required cluster			
minor)
