B.S. Degree in Hospitality Leadership

Article I Agreement on Principle

Northern Michigan University (NMU) and Fox Valley Technical College agree that students who choose to transfer from a community college to a senior college or university to earn a bachelor's degree should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, Northern Michigan University and Fox Valley Technical College agree to enter into this curriculum articulation agreement for students who complete the A.A.S. in Baking and Pastry Management at Fox Valley Technical College and transfer to NMU to complete the Bachelors of Science in Hospitality Leadership. Both institutions enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

Article II Agreement on Program Specifics

Northern Michigan University (NMU) and Fox Valley Technical College agree that any student who has successfully completed the minimum requirements outlined on the attached articulation guide may transfer the course credits indicated toward the Bachelors of Science in Hospitality Leadership degree at Northern Michigan University. Students who follow this articulated program agreement must apply and be admitted to Northern Michigan University. students will receive equal consideration with other students seeking admission and financial aid. The bachelor's degree graduation requirements for students who follow this articulated program agreement are listed on the attached articulation guide.

Article III Agreement on Communication

Northern Michigan University (NMU) and Fox Valley Technical College agree to cooperate in communication with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students.

Article IV Agreement on Maintenance and Review Procedures

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the Associate Dean of Services at Fox Valley Technical College and the Associate Provost for Academic Affairs at Northern Michigan University

Both parties agree to communicate annually any changes in their respective programs that may affect this articulation agreement. During the third year, both parties will review the agreement for revision and possible renewal. If the agreement is not reviewed by the end of the effective agreement, Fox Valley Technical College students who started the articulated program prior to termination of the agreement, will be given three additional years to be admitted to NMU under terms of this agreement.

Note Regarding Michigan Transfer Agreement (MTA): Students who transfer to Northern Michigan University from a Michigan community college and who have Michigan Transfer Agreement Satisfied posted on their transcript will be considered to have met the requirements of NMU's General Education program. Students will still be expected to complete all other degree requirements, including graduation requirements (World Cultures requirement, Laboratory Science requirement, and Math and English Competency requirement) and any courses listed as "Other Required Courses" that may also be General Education courses. Degree requirements can be found at www.nmu.edu/catalog. Transfer students who do not complete the entire block of courses required by the MTA will receive credit for courses they do complete on the basis of individual evaluation and established transfer equivalencies.
