

## **On-Campus Apartment and Residence Hall Parking Lots Snow Removal Schedule – 2019 Winter Semester**

Grounds Department staff will remove snow from the residence hall and on-campus apartment parking lots according to the schedule below. **Vehicles must be removed from designated lots by 11:00 p.m. each Friday prior to the Saturday listed on the schedule.** All vehicles must be removed from the lots designated for snow removal (listed on the left below). Students who park in one of the lots scheduled for snow removal must park in an available space in any of the alternative parking lots (listed on the right) on Friday night and Saturday until after snow removal is completed.
