

Registration Instructions For The 62nd. Annual Michigan Mathematics Prize Competition
Registration is happening NOW!
Registration Closes on Tuesday, September 25, 2018
The Competition will be held on Tuesday, October 9, 2018

1. Peruse the list of School ID's and locate your school's five-digit number.
2. Click on the registration link. Enter the five-digit number and the teacher's name and e-mail address. Enter the number of students you would like to register.
3. The registration is \$4 per student. Alas, we do not have an automatic online credit card payment system.

IF YOU ARE PAYING BY CREDIT CARD:

Please call NMU student services at 906-227-1221, and tell the friendly person on the other end that you want to make a payment into the Michigan Math Prize account (991041). Be sure that the person making the payment is the same as the person who registered. (The name is how I reconcile registration.)

You may also pay by fax. Send a fax to 906-227-1331. The fax machine is in a secured location. The fax should contain the following information:

1. Account: 991041 Michigan Mathematics Prize
2. Credit Card Number
3. Expiration Date
4. CVV Code
5. Name On Card
6. Name Of Registering Teacher
7. The amount to be charged to the card

IF YOU ARE PAYING BY CHECK:

Make check out to Northern Michigan University. Mail it to:

ANDREW A POE
MATHEMATICS AND COMPUTER SCIENCE DEPARTMENT
NORTHERN MICHIGAN UNIVERSITY
1401 PRESQUE ISLE AVE
MARQUETTE MI 49855-5340

Include in the memo field the name of the registering teacher and the School ID preferably.

IF YOUR SCHOOL IS NOT ON THE LIST:

If your school is reasonably affiliated with an existing school on the list (e.g. an afterschool program hosted by a school or an extension campus of an existing school), use the ID number of that school.

If your school is completely absent from the list, use the ID for "HOME/OTHER" in the county in which your school resides.

In either event, drop an e-mail to mmpcdirector@gmail.com to explain the situation. Multiple registrations from the same ID do not inconvenience the system. All registrations are assigned a "new" School ID anyway upon registration specifically to disambiguate this exact situation.

If any problems occur with registration or if there are questions, please direct them to mmpcdirector@gmail.com .

THANK YOU FOR PARTICIPATING IN THE MMPC!
