

**NORTHERN MICHIGAN
UNIVERSITY**
DEPARTMENT OF MUSIC

Performances for Winter '20 that may be applied toward the concert attendance requirement for music majors. Updates will occur, including additional performances (most typically student senior recitals); consult the bulletin board outside the music office or www.nmu.edu/music/ApprovedPerformances for the latest information. Majors seeking adjustments in the required attendance must apply in writing to the Dept. of Music Executive Committee as early in the semester as possible. The W'20 deadline for appeals is Friday, January 31 by 4:30 p.m. Also, going to multiple performances of the same concert will not increase the number of concerts attended (for example, if you go to 2 shows for Cats, you will only receive credit for 1 concert).
