## Greetings from the Chair.....

---

Spring is coming! Hard to believe but it will be here before you know it. If you have been hibernating or traveling this winter, the days are getting longer and HOPEFULLY the sun will be shining each and every day. When looking at your spring calendars, make sure to pencil in many of the new NCLL events and activities planned by our creative curriculum committee members. Select programs that are of interest to you, whether it be an outdoor activity, informational presentation, or even one of our social events that create lasting memories and provide hours of meaningful conversation. I have said this before, broaden your horizons – attend a program that you would never, ever think was of interest to you. The key is to register/pay early, and to review the time/dates/places of each program.

A note of thanks must be given to the Executive Board (Gail Frinkle, Darlene Arseneau, and Phyllis James), the Committee Chairpersons (Caroline Jordan, Phyllis James, Sandi Poindexter, and Judy Ashby) as well as all the committee/board members who have spent numerous hours diligently writing/rewriting, and just giving of their time to make NCLL the organization it is today. A special thank you goes to Gil Martin, Sharon Beach, Judy Ashby, Sally Olsen, Marie Watanen, and Paula McCormick for always being there when I need extra help for events or just finding out about the past NCLL history. Shannon Quayle (NCLL secretary) also, needs a big thank you for all the work that she does. Last but not least, I can't thank enough - Sandi Poindexter for her diligent work on setting up and maintaining the NCLL website and Facebook sites plus a million more items she has assisted with in her tenure with NCLL. If you haven't heard, she will be leaving the area sometime in the spring. When you see her, please thank her for her commitment to NCLL.

Let the sunshine in to your lives this spring through participating in many of the NCLL programs and events! Get involved by volunteering on one of our committees or just by becoming a member and attending our fabulous activities. We have several Board member openings this year, if interested let Gail Frinkle or myself know so we can put you on the Ballot.

Ginger Bollero-Petry, Chair  
Board of Directors

- **Many events at NMU are open to the public and are great learning opportunities. Check [www.nmu.edu/calendar](http://www.nmu.edu/calendar) for a complete list of NMU happenings.**
