Currently there would be 123 veterans who would be eligible for this benefit. Kyle Lannon indicated that Veterans would benefit from this if their benefits run out prior to graduating. Discussion on having a Veteran permit allowing Veterans to have expanded parking options for parking on campus rather than a discounted permit. VIII. STANDING ITEMS FOR DISCUSSION

- A. Campus Master Plan-Jim Thams stated that the Campus Master Plan is currently looking at moving the Jacobetti Complex to where the Summit Street Apartments were previously housed. They are currently evaluating all programs to determine how much square footage they would need for a new building. Jim stated that parking will be included in this evaluation and it has already been recognized that there would be a need for additional parking.
- B. Service Vehicle Parking (General Complaints) - No complaints.
- C. MarqTran Shuttle Service: The numbers on ridership were distributed to the committee. Chief Bath indicated that a Friday and Saturday run to the Ski Hill has been added to the current schedule. Depending on ridership it will be determined at a later date if this service is being used by the student population and whether it is worth it to continue this run. Tom Helgren suggested that since we are offering this service free of charge to the student that maybe there is potential for Marquette Mountain to offer students lift tickets and rentals at a reduced rate.
