

Add+Vantage Math Recovery

A professional development opportunity that integrates with any standards-based curriculum package. Add+Vantage [Math Recovery](#) (AVMR) Course 1 provides a focus on how students develop early numeracy, strengthened core mathematics instruction at the Tier 1 level, efficient, diagnostic, and dynamic assessments for use as screening tools to determine Tier 2 supplemental interventions, and how to analyze and modify instructional tasks for the whole class or small groups to meet the needs of a diverse range of students.
