LOCATION:

MiSTEM Network (Region 15)
Glenn T. Seaborg Mathematics
and Science Center
Northern Michigan University

906-Central Region

AVMR Provides:

8 total days with a focus on how
students develop early numeracy

A common vocabulary and awareness
about the development of a number

Strengthened core mathematics
instruction at the Tier 1 level

Efficient, diagnostic, and dynamic
assessments for use as screening
tools to determine Tier 2 supplemental
interventions

How to analyze and modify
instructional tasks for the whole class
or small groups to meet the needs of a
diverse range of students

Tools to support data-driven
instruction
