If Northern Michigan University closes due to unforeseen circumstances, the Seaborg Center will cancel scheduled events (professional development or student program) for that day. Media outlets will be notified regarding the closure of NMU. This announcement will be posted on [NMU's website](#). The Seaborg Center will contact you regarding any rescheduling of the missed event.

When Marquette and Alger Counties' local school districts close due to inclement weather, the Seaborg Center will assess viability of holding or cancelling the scheduled event. We will notify you via email before 6:30 a.m. on the day of the event. The decision to travel in bad weather is always your decision. **Please use all available resources and your discretion if you will have safe travel conditions when deciding to attend any Seaborg Center events.** ([NMU's inclement weather policy](#)).
