ASNMU UPDATE

Justin Brugman
Bike-Share Program

- Working with Switchback Gear Exchange and Outfitters to get the bikes repaired and running.
- Looking into a new location to store the bikes, in Lee Hall.
Food Advisory Board

• The Food Advisory Board consist of Dining Services, ASNMMU, and Students.
• We talk about changes to Dining Services, like the MP and Den hours.
• Our first meeting is Wednesday, October 19th 2011.
SAM Conference

• ASNNU just went down to the September conference last week at FSU, in Big Rapids, Michigan.
• We’ll be hosting a Student Association of Michigan conference during the weekend of October 14th-16th 2011.
With it being a referendum year, we can update our constitution. We’re currently looking at that and seeing if anything needs to be changed.
Advertising

• Revamping our advertising of our programs.
• A lot of people know Wildcat Wallet, but they don’t know where they can go for the discounts. We’re going to ask businesses if we can use their image on our promotional material for Wildcat Wallet.
Let’s Chat

• We had a Let’s Chat with BOT Chair, Brian Cloyd, this past week.
• We’re having another Let’s Chat with Dining Services on October 12th 2011.
• We’ll continue having many more of these throughout the year.
Homecoming

• This year ASNMU participated in Homecoming events for the first time in years.
• GO CATS!!!
